Integrating technology in ESP
+
Assessment & Evaluation in ESP

Required book chapters:

- **Internationalisation and technology as a resource for ESP**
Motteram (2013) Ch. 4
- **Appropriate assessment procedures and testing in ESP and evaluation**

ESP and Assessment (Chapter 19) in Paltridge and Starfield (2013)

Tasks:

1. Read the two book chapters.
2. You are advised to integrate technology in the ESP course you are currently working on. If it is not an option, justify your choice based on data from your needs analysis and course objectives.
3. As a component of Course Design, a test (s)/ assessment procedure (s) should be prepared by you. A rationale should be provided in your final assignment.
