

سيرة ذاتية مختصرة

د.م. محمد ونوس

كلية الهندسة المدنية، جامعة دمشق، دمشق، سورية

Academic Qualifications and Continuous Personal Development

From	To	Qualification Obtained	Institution Attended	Full/Part Time	Class of Award	Date of Award
Feb. 2005	May 2005	Diploma in Management [^]	Bristol City College, UK	Part Time	Level 4	November 2005
Nov. 1996	Nov. 2000	PhD*	University of Liverpool, UK	Full Time	-	December 2001
August 1999	June 2000	Diploma in Programming	Liverpool City College, UK	Part Time	-	June 2000
Nov. 1995	May 1996	Foundation Studies in Expert Systems	Liverpool University, UK	Full Time	-	May 1996
Sep. 1986	June 1991	BSc Civil Engineering	Al Baath University, Syria	Full Time	First Class	June 1991

* Title of thesis: A Neurofuzzy Expert System For Competitive Tendering in Civil Engineering

Present Employment

January 2010 – Present University of Damascus Syria

Lecturer in Engineering Construction Management, Civil Engineering Department

Main Research Interests: Computer modelling, value management, risk management, whole life cycle costing, competitive tendering, and development of artificial neural networks and fuzzy logic decision-support systems.

Most Recent Employment

March 2001 – December 2009 Universities in the UK

Senior Lecturer, Research Officer, and Part-Time Lecturer

Main responsibilities included:

Planning teaching, learning and research activities jointly with other team members.

Development and updating project network.

Computer modelling

Collaboration with the industrial partners and other research institutions

Development/teaching of Surveying I (1st year Architecture)

January 1998 – June 2000 University of Liverpool Liverpool, UK

Assistant Lecturer

Part Time job during PhD research

June 1992 – August 1995 DOS for Trade & Construction Syria

Project Manger

September 1991 – June 1992 Al-Baath University Syria

Assistant Lecturer (Construction Economics)

Professional Memberships

Fellow of Higher Education Academy, UK (*Previously known as the Institute for Learning and Teaching in Higher Education*)

The Chartered Management Institute, UK.

External Recognition

- Invited Lecture (University of Cardiff, Business School, Dec 2007)
- Nominated for a National Teaching Fellowship in 2006
- Invited Lecture (University of Reading, March 2002)
- Member of the International Organising Committee of an international conference on complexity (1st International Conference on Built Environment Complexity - Becon 2005 , Liverpool, UK)
- Regular Referee - Construction Management and Economics, UK
- External Examiner's Reports (2003 – 2008)
