

## **The extent to which the teaching staff at AL al-Bayt University Play their roles in serving the community.**

**Dr. Mohammad Aboud AL harahsheh**

**Abstract:**

This study aimed at investigating the extent to which the teaching staff at AL al-Bayt University Play their roles in serving the community. It also surveyed the effect of gender, college, academic rank, years of experience, and work type on the degree of practicing their roles. The sample of the study consisted of (127) staff members. The findings of the study showed intermediate means in the degree of community service. There were statistically significant findings attributed to gender, college, academic rank, years of experience and work type. The study recommended activating the faculty role in community service through supporting them to increase their communication with society.

**Keyword:** Community Service, Faculty, Staff members, University.
