Section One: Reading

(Questions 1-12)

Read the following text and choose the correct answer (A), (B), (C), or (D) for each of the following.

- i. Wendy Wilson and her older sister Carnie are the daughters of *The Beach Boys* founder, Brian Wilson. They formed the band Wilson Philips (with the daughter of Michelle Philips of *The Mamas and Papas*) and their first album was a worldwide hit. Today they are both married and live in Los Angeles. Here Wendy talks about their **relationship**.
- ii. I always thought Carnie was really cool. Especially when she was a teenager and had bright red spiky hair. But, like most older sisters, she wasn't at all interested in her younger sister. I desperately wanted to be with her and her friends, and sometimes I used to follow them, but she hated that.
- iii. When we were kids, we both had a lot of toys and clothes, but even then, we knew that Mom and Dad weren't happy. We used to talk about it all the time, and after a while they **separated** and we stayed with my Mom. We didn't see Dad for quite a few years, which really hurt us. But it's also the thing that brought me and Carnie closer together. When I was 16 or 17, the 1.5-year age **gap** between us didn't matter anymore, and we started to get on with each other and to write songs together.
- iv. Being in a band with a member of your family can be difficult, but it also has advantages. If **we** have a big argument about a song, after a while we remember that we are sisters and we make it up. Nothing is going to stop us from being sisters.
