### **Abstract**

When The Civilization Of 20<sup>th</sup> Century Appeared With It's Very New And Quick Rhythm In Changing Every Thing In The World, Al Medina, Was One Of These Important cities Which Changed Quickly To a very New Shape So It Was Important To Make An Architectural Documentation About Al Medina At The Period Between 1850 and 1950 period.

This Documentation Depended Basically On The Narrating Style For The Writers Wrote About Al Medina At That Age In Their Books Including Also Some Architectural Pictures And Photos.

I Have Been Chosen To This Project To Redocument Al Medina Within It's Sieges between 1850 and 1950 period Through Out A Modulation "macket" Including :

- 1- A Modulation Scale 1/180 On A Stand 8m × 5.5m
- 2- Illustrate This Age Architecturally.
- 3- Reassure The Most Important Architectural Things.like:
  - Al Haram Al Shareef.
  - Mosques.
  - Sieges And Indoors.
  - Streets And Buildings.
  - Atriums " Patio."
  - Markets.
  - Military Buildings.
  - Serving Buildings.
